

## **Grade 12 Required courses: (4 mandatory credits)**

### **Math 12\*** (choose one)

- Math Essentials 40S
- Applied Math 40S
- Pre-Calculus Math 40S

One of these is required for the Math credit for grade 12. If you are unsure about which math class to take please talk to Mrs. Finch, Mr. Siemens or Mr. Stoesz.

### **English Language Arts Comprehensive Focus 40S\***

Also known as ELA, English Language Arts takes a look at various texts of literature and various strategies for reading and writing.

### **Religious Studies 41G: Issues and Topics in Christianity\***

This course is a capstone for 13 years of studying the Bible. In this course the students compile questions and topics they want to know more about and the course is in a seminar format with various guest speakers presenting on the issues the students raise with the purpose to push further questions and prepare students to continue to find answers to their questions.

### **Physical Education/Health 40F\***

This course involves physical activity in the gym as well as healthy lifestyle education in the classroom. This course is not reported with a percentage mark but simply a complete or incomplete designation.

### **\*Courses required for Graduation from Westpark School**
