Please label ALL ITEMS with the student's name and sharpen all pencils before sending them to school. You may choose to keep half the supplies at home until they are needed.

Parents

We encourage families to go through the supplies coming home at the end of the year to see what can be reused or recycled from one grade to another for your children. Used binders, pencil crayons, geometry sets, etc., are quite acceptable if they are still complete sets. Costs can hopefully be reduced this way.
